It is said that an excellent way of testing tea is to put a teaspoonful in a glass of water and shake it thoroughly. If the tea is pure the water will be a pure amber tint, but if adulterated, strongly colored.

## Ballard's Horehound Syrup.

We guarantee this to be the best cough syrup manufactured in the whole world. It is saying a great deal, but it is true. For consumption, coughs, colds, sore throat, sore chest, pneumonia, bronchitis, asthma, croup whooping cough, and all diseases of the throat and lungs, we positively guarantee Ballard's Horehound Syrup to be without an equal on the whole face of the globe. In support of this statement we refer to every individual who has ever used it, and to every druggist who has ever sold it. Such evidence is indisputable. Sold by Font & McChesney.
